

## ABOUT CONFERENCE

It is our pleasure to invite all scientists, academicians, young researchers, business delegates and students from all over the world to attend the International Meet & Expo on Laser, Optics and Photonics will be held in Nice, France during November 01-03, 2021.

OPTICSMEET2021 shares an insight into the recent research and cutting edge technologies, which gains immense interest with the colossal and exuberant presence of young and brilliant researchers, business delegates and talented student communities.

OPTICSMEET2021 goal is to bring together, a multi-disciplinary group of scientists and engineers from all over the world to present and exchange break-through ideas relating to the Laser, Optics and Photonics. It promotes top level research and to globalize the quality research in general, thus making discussions, presentations more internationally competitive and focusing attention on the recent outstanding achievements in the field of Laser, Optics and Photonics.

We're looking forward to an excellent meeting with scientists from different countries around the world and sharing new and exciting results in Laser, Optics and Photonics.
